Dear Ingrid and Yanick,

Thank you for submitting an application for the International Women's Media Foundation's Women Entrepreneurs in the Digital News Frontier grant program. Our Advisory Committee has selected you as a finalist, out of 134 women journalists who applied.

The IWMF would like to schedule a one hour phone interview with you this week in advance of the Committee's final round of deliberations. The phone interview will include IWMF staff and Advisory Committee members (if available to participate), and it will give us an opportunity to learn more about your vision for your digital news enterprise. This interview will be recorded for the Committee's review.

Please indicate your availability for a phone interview to take place between 12 p.m. and 5 p.m. EST Wednesday, March 21, Thursday, March 22 and Friday, March 23. Be sure to include hourly availability for all three days.

We look forward to learning more about you and your digital news startup. Congratulations on making it to this stage of the application review process!

Best regards,

Nadine
